To whom it may concern,

This letter is to certify that Alessia Candussio, of the school ISIS A. Malignani, has participated in the third annual edition of the *Farel Academy Model United Nations*, which took place on 8, 9, 10 and 11 February. This international conference took place at two locations: the Farel College and the Flint in Amersfoort, the Netherlands.

Model United Nations, also known as MUN, is an academic simulation in which students learn about diplomacy, international relations, and the United Nations through the participation in various debates. As an MUN conference replicates all aspects of the UN, it follows the procedure of debate of the official United Nations and every student is assigned a delegation, which they represent during the conference. From the perspective of their country, they tackle the concerns of today's world by holding active debates on potential regulations and solutions.

I, Wytze Molenkamp, certify Alessia Candussio has spent 27 hours at FAMUN.

Yours sincerely,

Wytze Molenkamp  
Secretary General of FAMUN 2018
